

Lawyer – Personal Injury and Employment Law

- A brilliant opportunity for a personal injury lawyer wanting a tree change
- Strong local personal injury practice
- Great for the lawyer who loves the outdoors, skiing, bushwalking, kayaking, cycling and more.

We are looking for a self-motivated and adaptable lawyer to join our team. We will consider all serious applications. At least two to three years' experience in the following would be an advantage:

- WorkCover and common law claims
- Employment and discrimination law
- Personal injury law

The position offers:

- A large established client base
- Supervision from an Accredited Specialist lawyer
- A fantastic support team
- Diverse and rewarding work
- Excellent work/life balance
- Autonomy with supervision where required

About you:

- One to three years' post qualification, current workcover/employment law experience
- Strong drafting and technical skills with strong attention to detail
- Results oriented, self-starter with initiative
- Genuine willingness to learn and recognition of your skills and where you require further development.
- An ability to develop strong relationships both internally and externally
- Excellent organisational and planning skills
- Professional, well presented with a positive disposition
- Excellent communication skills
- Highly adaptable with a client service focused approach

All communication is strictly confidential
